

REDMOND FIRE & RESCUE
341 NW DOGWOOD AVENUE
BOARD MEETING AGENDA
February 18, 2026 @ 9:30 a.m.

1. CALL TO ORDER

2. ROLL CALL

3. PLEDGE OF ALLEGIANCE

4. AGENDA CHANGES

5. PACKET DOCUMENTS FOR INFORMATION ONLY

- a. January 2026 Operations Report
- b. January 2026 Financial Report
- c. January 2026 Ambulance Billing Report
- d. January 2026 Fire & Life Safety Report
- e. Citizen Correspondence

6. CONSENT AGENDA

- a. Meeting Minutes – January 21, 2026

7. PUBLIC COMMENTS

8. PUBLIC PRESENTATION

9. REPORTS

10. ACTION ITEMS

- a. ORDINANCE NO. 6 – Fire Marshal Tom Mooney

Open Public Hearing for 2nd reading of Ordinance No. 6 by title only

An Ordinance Adopting Fire Codes and Standard for Redmond Fire & Rescue, A Fire Protection District, Providing for a Reasonable Level of Life Safety and Property Protection from the Hazards of Fire, Explosion or Dangerous Conditions in New and Existing Buildings, Structures, and Premises and to Provide Safety to Firefighters and Emergency Responders During Emergency Operations.

Printed copies of the ordinance are available in the Business Administration Office.

Close Public Hearing

- b. Purchase of Command Vehicles – Chief Hererra
- c. Purchase of Defibrillators – Chief Hererra

11. FIRE CHIEF REPORT

12. EXECUTIVE SESSION

Per ORS 192.660(2)(i) authorizing executive session “to review and evaluate, pursuant to standards, criteria and policy directives adopted by the governing body, the employment-related performance of the chief executive officer of any public body”

13. NEW BUSINESS

14. OLD BUSINESS

- a. Budget Committee Vacancies – CFO Burch

15. BOARD MEMBER COMMENTS

16. BOARD PRESIDENT COMMENTS

17. ADJOURN

Members of the public who wish to attend the meeting virtually may do so by joining from your computer, tablet or smartphone at <https://global.gotomeeting.com/join/797053381>. Or you can dial in using your phone to 1(408) 650-3123 at the designated time and enter the access code 797-053-381.

Anyone needing accommodation to participate in the meeting must notify Diane Cox at least 48 hours in advance of the meeting at 541-504-5020 or diane.cox@rdmfire.org. Redmond Fire & Rescue does not discriminate on the basis of disability status in the admission or access to treatment, employment or in its programs or activities.

FEBRUARY 2026 OPERATIONS REPORT

Fire Apparatus—The engine approved for purchase in March 2025 has been ordered and will have a projected delivery of March 2028.

Ambulance—We have requested to start the build process for another ambulance with Braun Northwest. This process secures our place in the manufacturing process. Current build time is around 500 days. This ambulance would likely be delivered in June of 2027.

DATE: February 6, 2026
TO: Redmond Fire and Rescue
FROM:
Address:

This is a letter of commendation for the crew that responded to a 911 call that I made on the morning of

I called because my husband was nonresponsive and had labored breathing. The dispatcher instructed me to get my husband on the floor to start CPR. She was calm and patient, and supported me through this procedure.

The EMTs and sheriffs arrived and proceeded to stabilize my husband, and then transported him to St. Charles Bend. What I noticed is how the crew did their work – swiftly and courteously.

I have the highest respect for everyone who was involved.

Please accept the attached donation in appreciation of all the help that was given to us.

Best wishes,

P.S. Bill is recovering and I hope to get him home soon.

REDMOND FIRE & RESCUE
BOARD MEETING MINUTES
January 21, 2026

BOARD PRESENT: President Jessica Meyer, Vice President John Blanton, Member Gary Ollerenshaw, and Member Dick Knorr.

STAFF PRESENT: Fire Chief Ryan Herrera, Deputy Chief Dustin Miller, Human Resources Manager Diane Cox, Fire Marshal Tom Mooney, and Administrative Assistant Katie Annen. Confidential Administrative Specialist Jessica Jackson attended virtually.

STAFF ABSENT: None

PUBLIC PRESENT: None

CALL TO ORDER: President Meyer called the meeting to order at 9:30 am.

ROLL CALL: Secretary/Treasurer Earl Fisher absent.

AGENDA CHANGES: None

PACKET DOCUMENTS FOR INFORMATION:

Member Blanton asked Chief Miller whether calls could be separated by suburban versus rural areas. Chief Miller responded that the data does not currently distinguish between the two. A follow-up question was asked regarding response times to the furthest point in the district, and both Chief Miller and Chief Herrera stated it typically takes 25-30 minutes.

Member Ollerenshaw inquired whether the contingency funds included in the budget were reflected in the month's financial report. It was determined that this information was not in the report.

Member Blanton commented to Fire Marshal Mooney that his year-end Fire & Life Safety report was the best he had seen and expressed appreciation for the overview. Member Meyer also noted how busy the month of July appeared based on the report.

There was a brief discussion regarding notable projects highlighted in the Fire & Life Safety report.

CONSENT AGENDA:

1. Meeting Minutes – December 17, 2025

Board Member Blanton made a motion to approve the Consent Agenda as presented. The motion was seconded by Board Member Ollerenshaw and approved by unanimous vote.

PUBLIC COMMENTS: None

PUBLIC PRESENTATION: None

REPORTS: None

ACTION ITEMS:

1. Ordinance No. 6

A Public Hearing opened at 9:43 am for the 1st reading of Ordinance No. 6.

Fire Marshal Mooney provided a brief explanation of Ordinance No. 6. President Meyer then conducted the 1st reading by title. A second reading and a motion to approve the ordinance is scheduled for the February 18th meeting.

Gary Ollerenshaw addressed the Board during the public comment period, expressing concern that the title of the ordinance did not specify that it is based on Oregon code. Following a brief discussion, it was clarified that the ordinance text does state that it is Oregon code. Mr. Ollerenshaw indicated he was satisfied with this clarification.

The public hearing was closed at 9:50 am.

FIRE CHIEF COMMENTS:

Chief Herrera gave the Board a report on the following topics:

1. Hiring/Training

Five (5) FFPM positions will be offered, with the academy tentatively scheduled for March. Member Ollerenshaw asked whether these positions were newly added or intended to fill existing vacancies. Chief Herrera clarified that the new hires will be replacing current openings/promotions. It was noted that Engineer Brett Hulstrom would serve as the Academy Coordinator.

2. Lexipol

A few more policies were approved this morning, bringing the total completed to seventy-seven (77). As our time with Lexipol concludes, responsibility for the remaining documents will transition to the policy group. To manage the workload, five (5) to seven (7) policies will be released each month for review to avoid an overwhelming volume at any one time.

3. Town Hall Meeting

Chief Herrera attended a town hall meeting in Sisters, OR, which was attended by several key officials, including Senator Wyden and Representative Bynum. Chief Herrera provided a brief overview of the meeting.

Member Ollerenshaw asked whether it would be advantageous to have a board member involved in outreach efforts. Chief Herrera responded that it could be beneficial and noted that he will be working directly with Representative Bynum's staff regarding grant opportunities.

NEW BUSINESS: None

OLD BUSINESS:

Member Meyer opened a discussion regarding the upcoming evaluation of Chief Herrera, noting that his anniversary date is March 18. An anonymous survey will be distributed to all staff, and board members will complete the same evaluation forms used last year.

HR Manager Diane Cox provided a brief overview of the evaluation and compensation study process and asked whether the Board preferred to address both items at the next meeting or separate them across two meetings to allow adequate preparation. The Board agreed to review all evaluation materials during an executive session at the February meeting, with the compensation study to be discussed in executive session at the March meeting.

BOARD MEMBER COMMENTS:

Member Blanton expressed his appreciation for the note received from a member of the public and commended Fire Marshal Mooney on the quality of his report this month.

Member Knorr thanked everyone for their patience as he continues to learn in his role as a Board member.

BOARD PRESIDENT COMMENTS:

President Meyer asked if there were any plans to produce an annual report. Chief Herrera stated that he had not planned to do so, as he currently provides monthly reports, but noted that he would be willing to prepare one if desired. He shared his perspective on the value of an annual report and briefly discussed the need for more full-time staff to offset workloads and to perform data analysis tasks.

Member Blanton asked whether an existing staff member with the appropriate skill set could perform this work on a contract basis during off-shift time. Chief Herrera responded that, due to the collective bargaining agreement, such an arrangement would likely be costly and that outsourcing the work may be more cost-effective.

ADJOURN: Being no further business, Board Member Ollerenshaw moved to adjourn. The motion was seconded by Board Member Blanton and was approved by unanimous vote. The meeting was adjourned at 10:22 am.

Approved:

www.rdmfire.org

STAFF REPORT

DATE: JANUARY 2, 2026

TO: BOARD OF DIRECTORS

FROM: TOM MOONEY, DIVISION CHIEF FIRE MARSHAL

SUBJECT: ADOPTION OF OREGON FIRE CODE

Report in Brief:

District staff are requesting approval to adopt the 2025 Oregon Fire Code as written and with the following appendices A, H, I, J, K, & L.

Appendices:

A-Board of Appeals

H-Hazardous Material Management Plan and Inventory Statement Instructions

I-Fire Protection Systems-Noncompliant Conditions

J-Building Information Sign

K-Construction Requirements for Existing Ambulatory Care Facilities

L-Requirements for Firefighter Air Replenishment Systems

Background – Fire Code:

Under ORS 478.910, a Rural Fire Protection District may adopt a fire code. In consultation with legal counsel, staff is recommending the Board approve the Fire Code Ordinance to coincide with the Oregon State Fire Marshal's (OSFM) recent adoption of the 2025 Oregon Fire Code.

The Oregon Fire Code is updated approximately every three years and is created by using the International Fire Code which is referred to as the model code. During a fire code update, Oregon amendments are added to the code. Once the State adopts the code it can then be adopted locally within each jurisdiction. Each jurisdiction is allowed to be more restrictive as the fire code is a minimum requirement. If a jurisdiction decides to be more restrictive, they must then adopt the Oregon Fire Code along with any ordinances that apply to the fire code. Within the code there are certain appendices that are not adopted by the State and must be done through local ordinance if they choose to.

Discussion – Fire Code:

By adopting the Oregon Fire Code as a District this gives us the ability to be more restrictive in certain applications of the fire code. We would then create an ordinance that would address any local amendments to the fire code. Many jurisdictions will undergo this process to address certain unique aspects of their District. I will work with all three counties and the city to make sure that RF&R is on their agendas for upcoming meetings so that these agencies can approve RF&R's fire code ordinance by resolution as required by [ORS 478.924](#).

Fiscal Impact:

There is no financial impact to the District by adopting the Oregon Fire Code.

Recommendation/Suggested Motion:

"I move to approve the First Reading by title only of Ordinance 6 Adopting Fire Codes and Standards."

REDMOND FIRE & RESCUE

ORDINANCE NO. 6

AN ORDINANCE ADOPTING FIRE CODES AND STANDARDS FOR REDMOND FIRE AND RESCUE, A FIRE PROTECTION DISTRICT, PROVIDING FOR A REASONABLE LEVEL OF LIFE SAFETY AND PROPERTY PROTECTION FROM THE HAZARDS OF FIRE, EXPLOSION OR DANGEROUS CONDITIONS IN NEW AND EXISTING BUILDINGS, STRUCTURES, AND PREMISES AND TO PROVIDE SAFETY TO FIREFIGHTERS AND EMERGENCY RESPONDERS DURING EMERGENCY OPERATIONS.

WHEREAS, Redmond Fire & Rescue, a Fire Protection District, has developed uniform fire regulations for the jurisdictions served; and

WHEREAS, Redmond Fire & Rescue, a Fire Protection District, hereinafter referred to as the District, finds it necessary to adopt regulations that establish a minimum level of fire safety, thus does hereby adopt the following regulations;

NOW, THEREFORE IN CONSIDERATION OF THE FOREGOING; IT IS ORDAINED AS FOLLOWS:

TITLE AND FILING:

This ordinance, including the codes hereby adopted, shall be filed with Oregon State Fire Marshal and shall be posted at each fire station of the District as prescribed by ORS 478.940. From the date on which this ordinance shall take effect, provisions thereof shall be controlling within the territorial limits of the District and within each city and county within the District which similarly approves these provisions pursuant to ORS 478.924.

SCOPE:

The purpose of this code is to establish the minimum requirements consistent with nationally recognized good practices for providing a reasonable level of life safety and property protection from the hazards of fire, explosion or dangerous conditions in new and existing buildings, structures and premises and to provide safety to firefighters and emergency responders during emergency operations as authorized by ORS 478.910.

SECTION I - ADOPTION OF THE DISTRICT'S FIRE CODE:

For the purpose of prescribing regulations governing conditions hazardous to life and property from fire or explosion, except as amended under Sections II, the Oregon Fire Code adopted by the Oregon State Fire Marshal, as it is replaced and amended from time to time, is hereby adopted as the District's Fire Code. It is the intention of this ordinance that the District from time to time shall automatically adopt the latest Oregon Fire Code including any amendments as adopted by the Oregon State Fire Marshal without any additional action necessary by the District. The District also adopts the following appendices in the Oregon Fire Code, Appendix A, H, I, J, K, L, & M. Such codes and amendments are adopted on the effective date of the administrative rule adopted by the Oregon State Fire Marshal.

SECTION II - ENFORCEMENT OF FIRE CODE

Notwithstanding provisions in the Oregon Fire Code authorizing or requiring inspections of buildings and premises, issuance of permits, review of plans, testing of fire protection systems and equipment, or provisions providing for enforcement of the Code, such inspections, plan review, permits, testing, and enforcement of the Code shall be discretionary by the Chief and other individuals charged by the Chief with such activities. The District recognizes that it has limited financial resources with which to provide fire, rescue, and other services and functions and is forced to make public policy decisions as to allocation of District resources. Although the District places a high priority on prevention, inspection, and maintenance of fire systems, due to financial limitations, it is the Board's policy to require inspections, plan review, permits or testing only, so often as necessary, to provide a reasonable level of fire and life safety. Accordingly, although the Fire Chief and other individuals charged by the Chief with these activities are encouraged to pursue performing such activities, as well as the scope and frequency of such activities, the performance of such activities shall be within the discretion of the Fire Chief. It is the intention of the District to make clear that the District's duty to perform the inspections, plan review, issuance of permits and testing, or to take enforcement actions as set forth in the Code, is limited to providing a reasonable level of fire and life safety.

SECTION III - AMENDMENTS TO THE OREGON FIRE CODE:

There are no amendments to the Oregon Fire Code adopted by the Oregon State Fire Marshal.

SECTION IV - FEES

Cost based fees may be imposed for plan review, inspections, permits or other fire code related services the District is authorized or required to provide under the Fire Code or other applicable statute or regulation, as prescribed in the District's Master Fee Schedule.

SECTION V-PENALTIES

Any person who violates any of the provisions of these regulations hereby adopted or fails to comply therewith, or violates or fails to comply with any order made thereunder, or who builds in violation of any detailed statements, specification or plans submitted and approved thereunder and from which no appeal has been taken, or shall fail to comply with such an order as affirmed or modified by the Board of Appeals or by a court of competent jurisdiction within the time affixed herein, shall severally, for each and every such violation and non-compliance respectively, be guilty of a violation of the Fire Prevention Code as provided in ORS 478.930, punishable upon conviction as prescribed by ORS 478.990. All fines or punishments authorized upon conviction shall include the costs to the District to remedy the violation including costs of towing, storage, or removal of the hazard or obstruction if necessary.

The Chief or designated representative may bring a complaint in law or in equity to alleviate a violation of this ordinance as well as in addition to the rights to enforce said ordinance under the provisions of ORS 478.930 and ORS 478.990.

- . Reinspection fees may be applied for failure to correct violations in accordance with the District's Master Fee Schedule in addition to any other penalties.

SECTION VI - FIRE CODE BOARD OF APPEALS

As authorized by ORS 479.180, the District may establish a board of appeals. Such board of appeals may be implemented through bylaws and standard operating guidelines adopted by the District.

SECTION VII - REPEAL OF CONFLICTING ORDINANCES

The provisions of this ordinance, i.e., the Fire Code, shall be controlling within the territorial limits of the District and within each city and county within the District approving pursuant to ORS 478.924. If an existing fire code ordinance has been approved within any city or county within the District, the District desires that the existing fire code continue in effect until such time as the cities and counties within the District have approved this new Fire Code pursuant to ORS 478.924. Accordingly, all former ordinances or parts thereof, which are conflicting or inconsistent with the provisions of this ordinance or of the code or standards hereby adopted, are hereby repealed, effective on the effective date of this ordinance. Further, prosecutions or violations under repealed ordinances may continue after the effective date of this ordinance.

SECTION VIII - VALIDITY

The District hereby declares that should any section, paragraph, sentence, or word of this ordinance or of the Codes or Standards hereby adopted be declared for any reason to be invalid, it is the intent of the District that it would have passed all other portions of this ordinance independent of the elimination of any such portion as may be declared invalid.

SECTION IX- DATE OF EFFECT

The Board of Directors of the District finds and determines that it is necessary and expedient that the provisions of this ordinance become effective 30 days following adoption, as authorized by ORS 198.570.

First reading by Title only this _____ day of _____, 2026.

Second reading by Title only this _____ day of _____, 2026.

Adopted by vote of the Redmond Fire & Rescue Board of Directors this _____ day
of _____, 2026.

Jessica Meyer- Board President

Redmond Fire & Rescue

Public Notice

Regular Board Meeting

Notice of Second Reading and Consideration of Ordinance No. 6, An Ordinance Adopting Fire Codes and Standards for Redmond Fire and Rescue, a Fire Protection District, Providing for a Reasonable Level of Life Safety and Property Protection from the Hazards of Fire, Explosion or Dangerous Conditions in New and Existing Buildings, Structures, and Premises and to Provide Safety to Firefighters and Emergency Responders During Emergency Operations.

The second reading and consideration of Ordinance No. 6, An Ordinance Adopting Fire Codes and Standards for Redmond Fire and Rescue, a Fire Protection District, Providing for a Reasonable Level of Life Safety and Property Protection from the Hazards of Fire, Explosion or Dangerous Conditions in New and Existing Buildings, Structures, and Premises and to Provide Safety to Firefighters and Emergency Responders During Emergency Operations, will occur at the regular board meeting of Redmond Fire & Rescue, 341 NW Dogwood Avenue, Redmond, Oregon on February 18, 2026, at 9:30 am. Copies of the planned ordinance are available at Redmond Fire & Rescue, 341 NW Dogwood Avenue, Redmond, Oregon 97756. Additional Agenda items include: Minutes of the January 21, 2026 board meeting, Finance, Ambulance Billing, Fire & Life Safety, and OPS Reports.

AGENDA ITEM

SUBJECT: Purchase of Fire Command Vehicles FOR AGENDA OF: February 18, 2026
APPROVED FOR AGENDA: Fire Chief
DEPT OF ORIGIN: Fire Chief's Office
PROCEEDING: Discussion and Approval DATE SUBMITTED: February 11, 2026
EXHIBITS: Fastlane Emergency Vehicles Proposal

BUDGET IMPACT

EXPENDITURE REQUIRED: \$385,788.00	AMOUNT BUDGETED: \$500,00.00	APPROPRIATION REQUIRED: 0
--	------------------------------------	------------------------------

BACKGROUND:

The approved capital budget includes \$500,000 for building improvements at Fire Station 404 during the Seismic Rehabilitation Grant construction process. To accommodate additional time needed for engineering and design work, the capital funding identified will not be used during the established fiscal year.

As a result, the Fire Chief is proposing to repurpose a portion of the approved capital budget and moving up capital replacement plans with the purchase of fire command vehicles. Moving up the purchase will resolve safety concerns related carcinogen exposure for the district fire investigator, providing a vehicle to the new Division Chief of Training position, and providing a reserve vehicle for the districts on-duty Battalion Chief.

RECOMMENDED ACTION:

Approve repurposing \$385,788.00 from the capital budget to the purchase of Fire Command Vehicles

PROPOSED MOTION:

"I move to approve the repurposing of budgeted capital funds toward purchase of fire command vehicles."

FORMAL PROPOSAL

Proposal Date: January 16, 2026

Prepared for: Garrick Terry
Redmond Fire & Rescue
341 NW Dogwood Ave
Redmond, 97756

For your consideration, the listed herein is valid for a period of no more than 60 days from the above date (unless listed otherwise). FastLane is not responsible for price changes of goods or products not directly manufactured by FastLane Emergency Vehicles. Only items below shall be considered "part of this proposal". As is all information you share with us, we ask that you and/or your organization please retain this information as confidential. Please review the following information. If all items are acceptable, please forward over a Purchase Order with your preferred payment terms option, as listed above. We look forward to doing business with you. Should you require any clarification or have any questions, please do not hesitate to reach out.

DETAILS	TOTAL PROJECT COST
Conversion upfit on vehicle of type: F250 Command <i>As outlined in accompanying Build Specifications document (including vehicle)</i>	\$151,814.00
Conversion upfit on vehicle of type: F150 Ops <i>As outlined in accompanying Build Specifications document (including vehicle)</i>	\$116,107.00
Conversion upfit on vehicle of type: F150 Ops <i>As outlined in accompanying Build Specifications document (including vehicle)</i>	\$116,107.00
Payment Terms Discount	\$(9,440.00)
Multi-Vehicle Discount	\$(4,800.00)
Delivery of All 3 Vehicles to Department after Successful Inspection	\$15,000.00
Purchasing Contract Option: HGAC	\$1,000.00
TOTAL CONTRACT AMOUNT	\$385,788.00

Vehicle/Chassis Details

FastLane Supplied? YES

Reflected in the total project cost above for your review:

2026 Ford F250	\$59,749.00
2026 Ford F150 Police Responder (each)	\$53,887.00

Pricing Terms: Pricing here-in reflects FastLane standard terms of **Deposit/Cash on Delivery** of completed unit. Other terms and discounts apply and can be provided upon request.

Current Lead Time: 120-180 Days after receipt of order.

Respectfully Submitted: Sean Swanson

FORMAL PROPOSAL

Thank you for this opportunity. I am confident that once you have had a chance to review the contents within, you will share our opinion that FastLane is the best choice for your department's needs.

**Terms Details: If FastLane is to supply the vehicle as part of this project, we can neither guarantee the model year nor pricing of the vehicle proposed. Recent events have caused both Ford and GM to cancel and reject chassis orders all together. FastLane will confirm model year and pricing once the order is submitted to the vehicle manufacturer and remain in continuous contact with the customer with any changes or updates. If this proposal includes an in-stock chassis provided by FastLane, full payment of the chassis is due within 15 days after receipt of order to ensure accuracy of the price quoted and to secure the vehicle for upfit. Title and ownership of the vehicle will be transferred to the customer once payment has cleared and paperwork received from manufacturer. If terms include deposit/COD the deposit amount of 25% of the Total Project Cost (not to include the Vehicle Net price) is due within 15 days after receipt of order.*

AGENDA ITEM

SUBJECT: Purchase of Stryker Defibrillators and Lucas Machines

FOR AGENDA OF: February 18, 2026

APPROVED FOR AGENDA: Fire Chief

DEPT OF ORIGIN: Fire Chief's Office

PROCEEDING: Discussion and Approval

DATE SUBMITTED: February 12, 2026

EXHIBITS: Stryker Sales Quote

BUDGET IMPACT

EXPENDITURE REQUIRED: \$400,000.00	AMOUNT BUDGETED: \$400,00.00	APPROPRIATION REQUIRED: 0
--	------------------------------------	------------------------------

BACKGROUND:

The District has an urgent need to replace defibrillators used by firefighter/paramedics on EMS calls. The current units are over 10 years old, exceed their seven-year life cycle, and are now obsolete with no manufacturer support for parts or service. The District has also experienced multiple failures during incidents. A 2024 Assistance to Firefighters Grant (AFG) request was submitted but not funded. During the FY25/26 budget process, the Board approved capital funds to purchase replacements if a grant was not received. Although reapplying in 2025 was considered, ongoing equipment failures require moving forward now to ensure reliable EMS service for our communities.

RECOMMENDED ACTION:

Approve the expenditure of \$400,000.00 from the capital budget for the purchase of necessary life-savings EMS equipment

PROPOSED MOTION:

"I move to approve the expenditure of \$400,000 from the capital budget to purchase EMS equipment."

ANNOUNCEMENT FOR EXECUTIVE SESSION
February 18, 2026

Oregon Law permits public bodies to meet in executive session to discuss specific matters which are not open to the public. Final actions or decisions on these matters will be made during regular session.

- A. Per ORS 192.660(2)(i) authorizing executive sessions “to review and evaluate, pursuant to standards, criteria and policy directives adopted by the governing body, the employment-related performance of the chief executive officer of any public body”

Under the provisions of the Oregon Public Meetings Law the proceedings of this executive session are for background information only for media attending and not for publication or broadcast.
